Carol thanked ladies of the club who helped put together 41 of the Christmas tree decorations that will accompany the tree going from Sweet Home to Washington D.C. They will have one more work party to finish all the decorations.

Linda Stinson said that she needed another volunteer for registration. Neal Hubbard volunteered. Thanks Neal.

As there was no other business the meeting was adjourned by Secretary Linda Stinson.

P.S. A hearty thank you to all of you who did all the work behind the scenes to make the Rollin' Oldies annual picnic a great success. Living and Cruising in Oregon

(Thanks to Carol Hood for the following. – Ed.)

-You know several people who have hit a deer more than once.

-You see people wearing hunting clothes at social events.

-You install security lights on your house and garage, and leave both unlocked.

-Two Millennials were driving to Disneyland. The sign said, "Disneyland Left". So they started crying and went home.

- With the rise of self-driving vehicles, it's only a matter of time before we get a country song where a guy's truck leaves him too.
